Rouge @ Sugar and Sugar

THE SHAKER: 21.06.03. The Red Light Lounge series presents Rouge: A fundraiser held at the newly reopened Sugar and Sugar in support of PAL Vancouver. A chapter of Performing Arts Lodges of Canada, PAL helps provide affordable housing for seniors and other low-income arts workers.

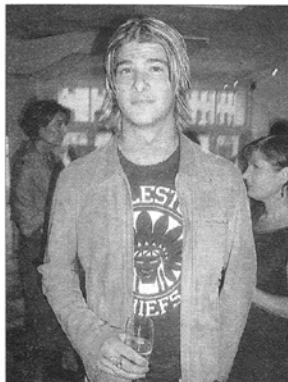

THE MUST-HAVES: Tiled bags, Melrose tops, peekaboo dresses, gold lamé boots, drop earrings and double the regular dosage of business cards in clutch purses.

LOVED: The strawberry-lined champagne flutes at the party's entrance against the backdrop of Toronto artist Robert Kraus' pop-funk toaster art exhibition.

THE HOT SPOT: Visit Sugar and Sugar. With its big city art-gallery-meets-lounge-meets-multi-level event-space vibe, there are few better venues to sip, shmooze and chill to a good DJ.
