Indy Party @ sugarandsugar

THE SHAKER: 23.07.03. Washington Marine Group's Molson Indy Party @ sugarandsugar (art gallery and lounge in Gastown).

THE VA VA VOOM: So much for party favours like swing sets, mannequin models or a perfect row of powder blue Vespas — sugar and sugar squeezed a B.C. Sports Hall of Fame racecar inside the party's entrance.

THE SUGAR CROWD: Jet-set, glam and gilty without the ballgown pretention or "planted" party guests (read: if you were in the mood to be a bashful bystander, this was not your night).

THE REALITY: Forget the champagne (only for a moment) and the Mardi Gras beads (though we loved the idea) — this shaker was in dire need of some dollar store makeup fans or a Celine Dion-style wind tunnel in the heat of the party action.
